Sonoma County Library (SCL) Student OneCard Program
OPT-OUT FORM

Through a partnership agreement, the Student OneCard program allows students in participating Sonoma County schools to:
- Access electronic resources 24/7 via the SCL website: www.sonomalibrary.org
- Receive free online one-on-one homework tutoring, in English and Spanish, in all major subjects. This is available through Tutor.com on the SCL website: https://sonomalibrary.org/library-collection/tutor
- Use public library computers at any of the 14 public library locations
- Borrow up to 10 items from any Sonoma County Library location with no fines
- Request books from partner libraries, including academic collections

If you would like your child to participate in the Student OneCard program, then you do not need to do anything. Your child will automatically be enrolled.

If you DO NOT want your child to participate, then please complete this parent opt-out form.
To opt out, return the form to your school office.

Parents are responsible for their children's use of library resources. If your child has accrued any fees for lost materials prior to deactivation, you will still be responsible for those charges. Any fees must be resolved directly with the Sonoma County Library. Your school district is not able to take payments on behalf of Sonoma County Library.

Deactivating or changing your child's OneCard account has no effect on any other account you or your child may have with the Sonoma County Library.

OPT OUT FORM

I do not want my child's Student ID to be made available for use as a Sonoma County Library (SCL) Account. I understand that if this form is returned after school district data is shared with SCL, I must contact SCL to have my student's OneCard Account deactivated and that I remain responsible for any lost-item fees accrued on my student's OneCard Account prior to deactivation.

School District Name: _____
