

This is MY library!

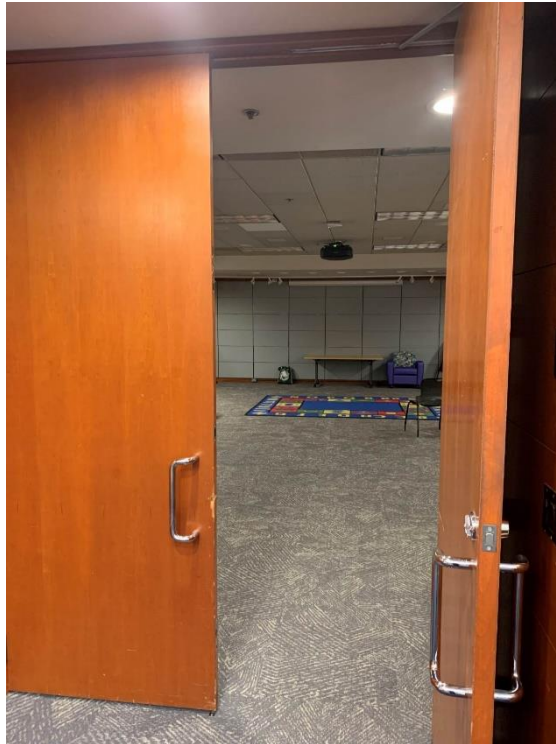

Storytime

Storytime is a lot of fun! The librarian will read some books and lead us in rhymes, songs, and dances.

Breaks

Sometimes kids have big feelings during story time and need a break outside and that's okay. They can come back when they are ready.

Crafts

Sometimes after storytime there are crafts, where we get to make fun projects to take home with us!

Everyone has fun and learns at Storytime!

- When it is time to sing and dance, my adult and I both join in.
- If we need a break, my adult and I can go outside and come back whenever we're ready.
- There is plenty of time to talk and play after the stories are done.
- We are nice and friendly with everyone at storytime.
