

**This is MY library!**

# Storytime

Storytime is a lot of fun! The librarian will read some books and lead us in rhymes, songs, and dances.

# Crafts

Sometimes after storytime there are crafts, where we get to make fun projects to take home with us!

# Everyone has fun and learns at Storytime!

- When it is time to sing and dance, my adult and I both join in.
- There is plenty of time to talk and play after the stories are done.
- We are nice and friendly with everyone at storytime.
