I. GENERAL PROJECT DESCRIPTION

A. Introduction

The Sonoma County Library (the “Library”) will consider proposals to provide facility master planning services from qualified firms to prepare an assessment of its facilities and a comprehensive Master Plan to guide facilities planning and improvements for the next 10 years. The plan will address priorities identified in the strategic plan (underway) for welcoming, flexible spaces that provide opportunities for the community to discover, learn and share.

1. Library Background

Libraries in Sonoma County date back to the mid-19th Century. The current county-wide system was created in 1975 and consists of a Central Library (downtown Santa Rosa); 11 regional libraries (Cloverdale, Healdsburg, Windsor, Northwest, Rincon Valley, Sonoma Valley, Sebastopol, Guerneville, Roseland, Petaluma, and Rohnert Park-Cotati); two rural stations (Forestville and Occidental); a History & Genealogy Library (Santa Rosa); the Petaluma History Room (inside the Petaluma branch); the Sonoma County Wine Library (inside the Healdsburg branch); an adult literacy program (inside the Central branch); and an administration building in Rohnert Park.

The Library serves more than 2 million visitors a year, with a growing digital realm that includes e-books, audiobooks, films, databases, periodicals and much more. In addition to reading and viewing materials, the Library offers public access computers and printing, storytimes for all ages and levels, and a wide variety of educational, enrichment, recreational and entertainment programs for children, teens and adults.

The Library is heavily invested in technology, offering free WiFi in the branches, plus check out of WiFi hotspots and Chromebooks, virtual reality and 3D printing programs, a camera library, and technology training and classes. The Library’s digital resources are available 24/7 from a website or a mobile app.

2. Jurisdiction and Funding

The Library is a separate government agency, formed by a Joint Powers Agreement between the County of Sonoma and the nine incorporated cities in the county (the “JPA Members”). The JPA Members appoint the 11-member Sonoma County Library Commission, which is responsible for hiring the Library Director, approving the annual budget and contracts, and setting broad guidelines and policy.

The Library leases all of its buildings, with the exception of the History & Genealogy Library, which it owns. The Roseland Library and the two rural stations are in buildings owned by private landlords, and the Library pays monthly lease fees for those facilities.
All other Library buildings are owned by the JPA member municipalities, and the Library does not pay any fees for their use.

The Library receives approximately two-thirds of its funding from property tax and one-third from sales tax. Other funding sources are donations, grants, and a capital campaign fundraising effort will be launched soon.

B. Objective of this Request for Proposals

1. Project Description

Through this Request for Proposals (“RFP”), the Library seeks competitive proposals for a consultant to develop a Library Facilities Master Plan (the “Plan”), to quantify existing space deficiencies and assets, and identify how best to address deficiencies and plan for future growth system-wide. The Plan will identify the total number of square feet required for the library system to serve Sonoma County residents and visitors through the year 2030. It will serve as a defensible guide to the Library’s capital program as it seeks to provide high quality 21st Century library services that meet the growing and evolving needs of Sonoma County.

The Plan should enable the Library to respond appropriately and effectively to changes in community demographics, technology and telecommunications development, emerging service expectations, aging facilities, and other future needs. Once complete, the Plan will be a significant asset to the Library’s ongoing planning efforts, and a guide to the ideal sequence for branch improvements.

Selection of one or more proposals will be made pursuant to the process described below. Upon selection of one or more proposals, the Library will finalize the terms of the contract with each selected proposer, which contract will apply to the services provided to the Library.

The Library also requests that proposals include provisions for written updates to the Plan for three consecutive years after completion, that is, at 3 years, 6 years and 9 years.

2. Scope of Work and Statement of Requirements

The services required to complete the preparation of a Facilities Master Plan consist of the following:

- Develop community involvement process to engage a broad range of stakeholders in assessing facilities and developing the Facilities Master Plan through focus groups, surveys, and interviews.
- Complete an assessment of all Library facilities and identify deficiencies in existing buildings and sites, including service areas, utility systems and infrastructure, telecommunications and health, and safety conditions.
• Identify potential improvements to current level of energy and resources conservation and overall sustainability.
• Identify potential for additional sustainability improvements in the existing buildings, remodeled facilities and new facilities.
• Create a facilities design guide to promote the efficient, consistent, and cost-effective design and construction of all new and modernized buildings.
• Incorporate the Library’s Strategic Plan, current and projected demographic data for Sonoma County, as well as state and national standards, peer comparisons, library trends and best practices.
• Assess and make recommendations as to the appropriate size and location of branches in the current general geographic areas, and identify whether or not any new facilities are needed and in what areas they should be located.
• Define, in coordination with staff from each of the ten JPA Members, implementation steps necessary to fulfill the needs identified in 3-year increments, including a 10-year outcome.
• Preparation of draft written Plans and coordination with Library for review and direction.
• Preparation of final written Plan, and presentation to the Library Commission by December 31, 2020.
• Possible updating of the Plan at 3 years, 6 years and 9 years.

Failure to object to the provisions in the Sample Agreement in the proposal will be construed as acceptance of all terms and conditions contained therein.
g. **Section VII – Additional Information:**

Include any additional information you believe is pertinent to consideration of your proposal.

**B. Proposal Duration and Contract Timing Requirements**

All proposals will remain in effect and shall be legally binding for at least one hundred and twenty (120) days after the proposal submission due date.

Unless otherwise authorized by the Library, the selected contractor will be required to execute a contract with the Library for the services requested within fifteen (15) days of the Library’s issuance of the notice of intent to award. If agreement on contract terms and conditions acceptable to the Library cannot be achieved within that timeframe, or if it appears that an agreement will not be possible after reasonable negotiations have been conducted (as determined at the sole discretion of the Library), then the Library reserves the right to retract the notice of intent to award and proceed with awards to other consultants, or to withdraw this RFP.

**C. Withdrawal and Submission of Modified Proposals**

A proposer may withdraw a proposal at any time prior to the submission deadline by submitting a written notification of withdrawal signed by the proposer or its authorized agent. Another proposal may be submitted prior to the deadline. A proposal may not be changed after the designated deadline for submission of proposals.

**D. Confideniality of Information Contained in Proposals**

Upon submission, all proposals shall be treated as confidential documents until the selection and negotiation process has been completed. Once the Library has issued its notice of intent to award and the contract negotiations have been completed, all submitted proposals shall be deemed public records and become subject to public disclosure.

In the event that a proposer desires to claim portions of its proposal exempt from public disclosure, it is incumbent upon the proposer to clearly identify those portions with the word “Confidential” printed on the top right hand corner of each page for which such privilege is claimed, and to clearly identify the information claimed to be confidential (for example, by highlighting, underlining, or bracketing it). Each page on which confidential material appears must be clearly marked and readily separable from the proposal in order to facilitate public inspection of the non-confidential portion of the proposal.

The Library will consider a proposer’s request for information identified as “confidential” to be exempt from public disclosure; however, the Library will make its decision as to whether such information is subject to public disclosure based upon applicable laws. An assertion by a proposer that the entire proposal, large portions of the proposal, or a significant element of the proposal are exempt from public disclosure will not be honored, and such a proposal may be rejected as being non-responsive. Prices, makes and models or catalog numbers of the items offered, deliverables,
and terms of payment shall be publicly disclosed regardless of any designation to the contrary.

Proposers are advised that the Library does not wish to receive confidential or proprietary information except when it is necessary to consideration of the proposals. If any information or materials in a proposal are labeled “Confidential,” then the proposal shall include the following clause:

[Legal name of bidder] shall indemnify, defend and hold harmless the Sonoma County Library, its officers, agents and employees, from and against any request, claim, action or proceeding, and any damages or liability (including but not limited to attorneys’ fees awarded under the California Public Records Act, Government Code § 6250, et seq.) resulting therefrom, which arise out of, concern, or involve any materials or information in this proposal that [legal name of bidder] has labeled as “Confidential” or otherwise not subject to disclosure as a public record.

E. Disqualification or Rejection of Proposal

The Library may, at its sole discretion, disqualify or reject a proposal if it fails to furnish all information requested in this RFP, fails to follow the format requested in this RFP, or contains false, incomplete, misleading or unresponsive statements.

III. SELECTION PROCESS

A. Evaluation Committee to Review Proposals

The Library shall form an Evaluation Committee to review the content of all proposals submitted in response to this RFP. The Evaluation Committee may be comprised of Library employees or officers, Commission members, or persons outside of the Library. The Evaluation Committee shall review and evaluate all timely proposals based on the terms of this RFP, and shall make a recommendation for selection of a contractor to the Library Commission. The Library Commission is ultimately responsible for approving any contract to be awarded under this RFP, in its sole discretion.

Those Library employees who have a relationship with a person or business entity submitting a proposal shall not participate in the review or selection process, per Government Code § 87100. Any person or business entity submitting a proposal who has such a relationship with a Library employee who may be involved in the selection process shall advise the Library of the name of its employee in the proposal.

The Evaluation Committee may reject any or all proposals, or portions thereof, if it determines that it is in the Library’s best interests to do so.

B. Evaluation Criteria

Proposals may be evaluated using the following criteria (there is no value or ranking implied in
the order of this list):

1. Demonstrated ability to perform the services described in the RFP;
2. Experience, qualifications, and expertise;
3. Quality and timeliness of work as verified by examples or references;
4. Fees and costs relative to the scope of services;
5. A demonstrated history of providing similar services to comparable entities;
6. Willingness to accept the Library’s contract terms in the Sample Agreement (Attachment A);
7. The business location(s) of the proposer; and
8. Any other factors the Evaluation Committee deems relevant. (When such criteria are used for evaluation purposes, the basis for scoring will be clearly documented and will become part of the public record.).

C. Defects in Proposals

An error in a proposal may cause the Evaluation Committee to reject that proposal; however, the Evaluation Committee may, in its sole discretion, retain the proposal and make certain corrections if the proposer’s intent is clearly established based on review of the complete proposal submitted. The Evaluation Committee may also correct obvious clerical errors.

D. Additional or Supplemental Information

The Evaluation Committee may, during the evaluation process, request any proposer to provide additional information which the Evaluation Committee deems necessary to evaluate the proposer’s ability to perform the required services. Such information shall be required to be provided in writing, and shall become part of the proposal on record.

E. Interviews

After initial screening, the Evaluation Committee may select those proposers deemed most qualified for this project for further evaluation. Interviews of those selected proposers may be conducted as part of the final selection process. Interviews may or may not have their own separate scoring during the evaluation process.

F. Selection of Proposals

The Library reserves the right to select the proposal(s) which in its sole judgment best meets its needs, and to award a contract to one or multiple qualified submittals. *The lowest proposed cost is not the sole criterion for recommending contract award.*

The Library also makes no guarantee of any or equal amounts of work for the project which is the subject of this RFP. Further, the Library is not responsible for any costs incurred in the preparation or submission of a proposal or any work performed prior to the execution of a contract.
IV. CONTRACT AWARD

A. Notice of Intent to Award Contract

Upon selecting a proposal, the Library will enter into contract negotiations with the chosen contractor. If such negotiations are unsuccessful, the Library will proceed to negotiate with the proposer who scored next highest in rank.

Upon successful completion of contract negotiations, all proposers who have submitted proposals in response to this RFP will be provided with notice as to the successful contractor(s) through a notice of intent to award contract.

B. Contract Award

The Evaluation Committee will make a recommendation on awarding a contract to the Library Commission. No contract will be in effect until approved by the Library Commission.

This RFP does not commit the Library to award a contract. The Library has absolute discretion in awarding a contract and reserves the right to waive informalities and irregularities in this RFP and/or the proposals received. The Library reserves the right to accept or reject any or all proposals or to modify or cancel this RFP in part or its entirety.

C. Protest Process

Any protests to this RFP, the selection process, or the awarded contract must be in writing and must comply with the requirements set forth in the Library’s Bid Protest Process, found on the Library’s website at: https://sonomalibrary.org/sites/default/files/attachments/Policies_and_Procedures/2019_05_06_Purchasing_Policy_Incorporates_Bid_Process_Policy.pdf

Agreement, and which do not significantly change the scope of work or significantly
lengthen time schedules may be executed by the Director in a form approved by the
Library’s General Counsel. The Library must authorize all other extra or changed work.
Failure of Consultant to secure such written authorization for extra or changed work shall
constitute a waiver of any and all right to adjustment in the Agreement price or
Agreement time due to such unauthorized work and thereafter Consultant shall be entitled
to no compensation whatsoever for the performance of such work. Consultant further
expressly waives any and all right or remedy by way of restitution and quantum meruit
for any and all extra work performed without such express and prior written authorization
of the Library.

9. **Representations of Consultant.**

9.1 **Standard of Care.** Library has relied upon the professional ability
and training of Consultant as a material inducement to enter into this Agreement.
Consultant hereby agrees that all of its work shall be performed, and that its operations
shall be conducted, in accordance with generally-accepted and applicable professional
standards as well as all applicable federal, state, and local laws. Consultant represents that
all of its officers, employees, agents, and subcontractors are properly licensed in the
jurisdiction where the projects are located to provide the services required by this
Agreement. It is understood that the Library’s acceptance of Consultant's work shall not
operate as a waiver or release of any of the provisions of this Agreement.

services under this Agreement as an independent contractor, and further agree that: (a)
Consultant is free from the control and direction of the Library in performing services
under this Agreement; (b) the services to be performed under this Agreement are outside

an independently-established business of the same nature as the services to be performed

employees.

pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely
liable and responsible to pay such taxes and other obligations, including, but not limited
to, state and federal income and FICA taxes. Consultant agrees to indemnify and hold the
Library harmless from any liability which it may incur to the United States or to the State
of California as a consequence of Consultant's failure to pay, when due, all such taxes
and obligations. In case the Library is audited for compliance regarding any withholding or other applicable taxes, Consultant agrees to furnish the Library with proof of payment of taxes on these earnings.

9.4 Records Maintenance. Consultant shall keep and maintain full and complete documentation and accounting records concerning all services performed that are compensable under this Agreement and shall make such documents and records available to the Library for inspection at any reasonable time. Consultant shall maintain such records for a period of four (4) years following completion of work hereunder.

9.5 Conflict of Interest. Consultant covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Consultant further covenants that in the performance of this Agreement no person having any such interests shall be employed or engaged as a subcontractor. In addition, if requested to do so by the Library, Consultant shall complete and file, and shall require any other person doing work under this Agreement to complete and file, a Form 700 “Statement of Economic Interest” with the Library disclosing Consultant's or such other person's financial interests.

9.6 Nondiscrimination. Consultant shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability, sexual orientation or other prohibited basis. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.

9.7 Assignment of Rights. Consultant assigns to Library all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications now or later prepared by Consultant in connection with this Agreement. Consultant agrees to take such actions as are necessary to protect the rights assigned to Library in this Agreement, and to refrain from taking any action which would impair those rights. Consultant’s responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as Library may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of Library. Consultant shall not use or permit another to use the plans and specifications in connection with this or any other project without first obtaining written permission of Library.

9.8 Ownership and Disclosure of Work Product. All reports, original drawings, graphics, plans, studies, and other data or documents (collectively, “documents”), in whatever form or format, assembled or prepared by Consultant or Consultant’s subcontractors, consultants, and other agents in connection with this Agreement, shall be the property of the Library. The Library shall be entitled to
immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this Agreement, Consultant shall promptly deliver to the Library all such documents, which have not already been provided to the Library in such form or format, as the Library deems appropriate. Such documents shall be and will remain the property of the Library without restriction or limitation. Consultant may retain copies of the above-described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of the Library.

10. **Demand for Assurance.** Each party to this Agreement undertakes the obligation that the other’s expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. “Commercially reasonable” includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article 10 limits the Library’s right to terminate this Agreement pursuant to Article 4.

11. **Assignment and Delegation.** Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

12. **Method and Place of Giving Notice, Submitting Bills and Making Payments.** All notices, bills, and payments (“notices”) shall be made in writing and may be given by personal delivery, U.S. Mail, or courier service (such as Federal Express). Notices sent by mail, delivery or courier shall be addressed as follows:

13.1. Merger. This Agreement is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to California Code of Civil Procedure § 1856. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

13.2. No Waiver of Breach. The waiver by the parties of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or promise, or any subsequent breach or promises contained in this Agreement.

13.3. No Third Party Beneficiaries. Nothing contained in this Agreement shall be construed to create and the parties do not intend to create any rights in third parties.

13.4. Construction. To the fullest extent allowed by law, the provisions of this Agreement shall be construed and given effect in a manner that avoids any violation of statute, ordinance, regulation, or law. The parties covenant and agree that in the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby. Consultant and the Library acknowledge that they have each contributed to the making of this Agreement and that, in the event of a dispute over the interpretation of this Agreement, the language of the Agreement will not be construed against one party in favor of the other. Consultant and the Library acknowledge that they have each had an adequate opportunity to consult with counsel in the negotiation and preparation of this Agreement.

13.5. Applicable Law and Forum. This Agreement shall be construed and interpreted according to California Law, and any action or proceeding to enforce this Contract or for the breach thereof shall be brought or tried in the County of Sonoma.
13.6. **Counterparts.** This Agreement may be executed in several counterparts and all counterparts so executed shall constitute one agreement that shall be binding on all of the parties, notwithstanding that all of the parties are not signatory to the original or same counterpart.

13.7. **Time of Essence.** Time is and shall be of the essence of this Agreement and every provision hereof.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates set forth below.

INSURANCE REQUIREMENTS

With respect to performance of work under this Agreement, Consultant shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain insurance as described below unless such insurance has been expressly waived by the Library through a Waiver of Insurance Requirements. Any requirement for insurance to be maintained after completion of the work shall survive this Agreement.

The Library reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements set forth in this Agreement (or failure to identify any insurance deficiency) shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Agreement.

1. Workers Compensation and Employers Liability Insurance
   a. Required if Consultant has employees as defined by the Labor Code of the State of California.
   b. Workers Compensation insurance with statutory limits as required by the Labor Code of the State of California.

   d. Required Evidence of Insurance: Certificate of Insurance.

If Consultant currently has no employees as defined by the Labor Code of the State of California, Consultant agrees to obtain the above-specified Workers Compensation and Employers Liability insurance should employees be engaged during the term of this Agreement or any extensions of the term.

The required limits may be provided by a combination of General Liability Insurance and Commercial Excess or Commercial Umbrella Liability Insurance. If Consultant maintains higher limits than the specified minimum limits, the Library requires and shall be entitled to coverage for the higher limits maintained by Consultant.
   c. Any deductible or self-insured retention shall be shown on the Certificate of Insurance. If the deductible or self-insured retention exceeds $25,000 it must be approved in advance by the Library. Consultant is responsible for any deductible or self-insured retention and shall fund it upon the Library’s written request, regardless of whether Consultant has a claim against the insurance or is named as a party in any action involving the Library.
d. The Sonoma County Library shall be endorsed as an additional insured for liability arising out of operations by or on behalf of the Consultant in the performance of this Agreement.

e. The insurance provided to the additional insureds shall be primary to, and non-contributory with, any insurance or self-insurance program maintained by them.

f. The policy definition of “insured contract” shall include assumptions of liability arising out of both ongoing operations and the products-completed operations hazard (broad form contractual liability coverage including the “f” definition of insured contract in ISO form CG 00 01, or equivalent).

g. The policy shall cover inter-insured suits between the additional insureds and Consultant and include a “separation of insureds” or “severability” clause which treats each insured separately.

h. **Required Evidence of Insurance:**
   i. Copy of the additional insured endorsement or policy language granting additional insured status; and
   ii. Certificate of Insurance.

   b. Any deductible or self-insured retention shall be shown on the Certificate of Insurance. If the deductible or self-insured retention exceeds $25,000 it must be approved in advance by the Library.
   c. If Consultant’s services include: (1) programming, customization, or maintenance of software: or (2) access to individuals’ private, personally identifiable information, the insurance shall cover:

   e. Coverage applicable to the work performed under this Agreement shall be continued for two (2) years after completion of the work. Such continuation coverage may be provided by one of the following: (1) renewal of the existing policy; (2) an extended reporting period endorsement; or (3) replacement

d. Required Evidence of Insurance shall be submitted for any renewal or replacement of a policy that already exists, at least ten (10) days before expiration or other termination of the existing policy.

e. Consultant shall provide immediate written notice if: (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; or (3) the deductible or self-insured retention is increased.

f. Upon written request, certified copies of required insurance policies must be provided within thirty (30) days.

7. Policy Obligations
Consultant's indemnity and other obligations shall not be limited by the foregoing insurance requirements.

8. Material Breach
If Consultant fails to maintain insurance which is required pursuant to this Agreement, it shall be deemed a material breach of this Agreement. The Library, at its sole option, may terminate this Agreement and obtain damages from Consultant resulting from said breach. Alternatively, the Library may purchase the required insurance, and without further notice to Consultant, the Library may deduct from sums due to Consultant any premium costs advanced by the Library for such insurance. These remedies shall be in addition to any other remedies available to the Library.
